"This recipe becomes a favorite as soon as it is tasted. It was once referred to as 'sinfully rich and velvety smooth'. Best if made a day before serving."

## Ingredients

|   |  |
|---|--|
| 1 cup chocolate cookie crumbs               | 1 cup sour cream   |
| 1/4 cup butter, softened                    | 1/4 teaspoon salt  |
| 2 tablespoons white sugar                   | 2 teaspoons instant coffee granules dissolved in 1/4 cup hot water |
| 1/4 teaspoon ground cinnamon                | 1/4 cup coffee flavored liqueur                                    |
| 3 (8 ounce) packages cream cheese, softened | 2 teaspoons vanilla extract  |
| 1 cup white sugar                           | 1 cup heavy whipping cream   |
| 3 eggs                                      | 2 tablespoons confectioners' sugar                                 |
| 8 (1 ounce) squares semisweet chocolate     | 2 tablespoons coffee-flavored liqueur                              |
| 2 tablespoons whipping cream                | 1 (1 ounce) square semisweet chocolate                             |

## Directions

- 1 Preheat oven to 350 degrees F (175 degrees C). Butter one 9 or 10 inch springform pan.
- 2 Combine the chocolate wafer crumbs, softened butter, 2 tablespoons white sugar, and the cinnamon. Mix well and press mixture into the buttered springform pan, set aside.
- 3 In a medium sized bowl beat the softened cream cheese until smooth. Gradually add 1 cup white sugar mixing until well blended. Add eggs, one at a time. Beat at low speed until very smooth.
- 4 Melt the 8 ounces semisweet chocolate with 2 tablespoons whipping cream in a pan or bowl set over boiling water, stir until smooth.
- 5 Add chocolate mixture to cream cheese mixture and blend well. Stir in sour cream, salt, coffee, 1/4 cup coffee liqueur, and vanilla; beat until smooth. Pour mixture into prepared pan.
- 6 Bake in the center of oven at 350 degrees F (175 degrees C) for 45 minutes. Center will be soft but will firm up when chilled. Do not over bake. Leave cake in oven with the heat turned off and the door ajar for 45 minutes. Remove cake from oven and chill for 12 hours. Just before serving top cake with mounds of flavored whipped cream and garnish with chocolate leaves. Yields 16 servings.
- 7 To Make Flavored Whipped Cream: Beat whipping cream until soft peaks form, then beat in confectioner's sugar and 2 tablespoons coffee liqueur.
- 8 To Make Chocolate Leaves: Melt 1 ounce semisweet chocolate in a pan or bowl set over boiling water, stir until smooth. Brush real non-toxic plant leaves (such as orange leaves) on one side with melted chocolate. Freeze until firm and then peel off leaves. Freeze chocolate leaves until needed.
